

# Audley Health Centre Feedback Form

We need your help!

We want to know how good your surgery is at looking after people with learning disabilities.

---

**We need to hear what people with learning disabilities and their carers think about their doctors.** You and anyone who helps you can help us by **filling in this form**.

---

If you would prefer to, you can call us on

---

What is your **name**?

What is your **telephone number**?

If you are someone who supports this person, what is your name and contact details?

What is the name and place of your doctors surgery?

Notes

Can you tell us what you think  
your doctors surgery does well?

Notes

Can you tell us what you think  
your doctors surgery could do better?

Notes

We will store this form safely on our computer.

---

We will share your thoughts and ideas at our surgery meetings.

We may also share this with the health service to help them improve.

---

We will not share your name or telephone number without speaking to you first.
